EXPERIENCES

IT CORNER Computer Training School
Mandalay - Myanmar
2020 - 2022

During my tenure at the **IT CORNER**, I focused on both training and frontend web design for a span of two years. This involved developing training programs and designing user-friendly interfaces. I got a lot of experience at this work.

Freelance
Yangon - Myanmar
2022 - 2023

During my one-year **freelance** journey, I engaged in collaborative efforts, effectively contributing to team projects while demonstrating strong teamwork skills. I actively collaborated with team members, effectively managing time to meet project deadlines and deliver quality results.

Innovix Solutions
Yangon - Myanmar
2023 - 2024

During my tenure at **Innovix Solutions** company, I spearheaded the development of numerous dynamic and static websites, including government static sites, e-commerce platforms, chat web versions, online library websites, and more. These projects presented various challenges that I adeptly navigated, honing my problem-solving skills and enriching my experience.
